The ill-mannered Kabeezle family learns the value of a clean home in this illustrated story. As the family moves outdoors to avoid cleaning the house, they soon find the outdoors to be an unsuitable habitat. Finding it easier to cooperate and clean a home, the children and parents all work together making their house a better place to live. Each brightly detailed water-color painting depicts the life of the Kabeezles before and after. This book teaches children the values of picking up after themselves, cleanliness, hygiene and cooperation in a cause-effect way.
